Staffordshire Umbrella Network-SUN

SUN (Staffordshire Umbrella Network) is a networking group of parents and carers of children and young people with additional needs, voluntary groups and agencies, coordinated by SEND Family Partnership.

- ☀️ **Do you have a child with a special need or disability?**
- ☀️ **Are you a professional who would like to represent your service at a local parent network group?**
- ☀️ **Please join us at our SUN meeting and networking session?**

Focus on:

Be Aware - Be Curious - Be Engaged.

How to support your child to stay safe on line.

We will discuss how to be part of your child's on line life. What makes some on line spaces more of a risk than others and practical advice and guides for parents. The session will also look briefly at The Dark Web, Sexting, Online Bullying, The Gaming Environment, PEGI Ratings and CEOP as well as managing access and setting up parental controls (Vikki Bardon, Entrust). With many thanks to SkillShare for supporting this session.
